STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, by and through Staff Counsel's Office, and states as follows:

On November 7, 2019, a procedural conference was held in this matter. While on the record, the presiding officer directed that a status report be filed no later than January 10, 2020. The parties have continued discussions, and an agreement amongst the parties resolving this matter appears possible, however, the parties need additional time to continue discussions and finalize such agreement. Staff requests until February 10, 2020, for the filing of either an agreement to resolve this matter, or a status report alerting the Commission to the progress of the discussions.

WHEREFORE, Staff submits this Status Report and requests until February 10, 2020, for the filing of an agreement to resolve this matter or a status report.

Respectfully submitted,

/s/ Jamie S. Myers
