JOINT MOTION TO WAIVE CROSS-EXAMINATION AND CANCEL HEARING

Global Crossing Local Services, Inc. and Global Crossing Telemangement, Inc. (collectively, "Global Crossing") and Southwestern Bell Telephone Company d/b/a AT&T Missouri ("AT&T"), by and through their counsel of record, hereby move that the Commission admit the prefiled testimony into the record, waive cross-examination, and cancel the hearing scheduled for October 7, 2010. In support of this motion, the parties state the following:

1. The parties have reviewed the testimony filed in this proceeding, and believe that there is no need to conduct cross-examination or hold a hearing. To provide a record on which the Commission may decide the factual points raised in Issues 2 and 3, the parties move that the Commission admit the prefiled testimony into the record. Issue 1 does not raise factual points and may be decided as a matter of law.

2. The parties believe that Commission can decide Issues 2 and 3 based on the admitted prefiled testimony and the briefing supplied by the parties.

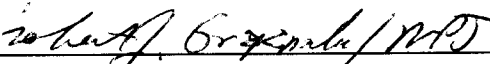

3. Cancellation of the hearing would obviate the need for the Commission to expend its limited resources unnecessarily and the parties to spend significant amounts in bringing witnesses and counsel from several cities around the country.

4. However, should the Commission determine that a hearing is necessary, the parties have agreed to withdraw their waivers of cross-examination.

Wherefore, the parties respectfully move that the Commission admit the prefiled testimony, waive cross-examination, and cancel the hearing.

Respectfully submitted,
