

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Gascosage Technologies, LLC)
Changing Name to GTech Fiber, LLC) **File No. DN-2022-0269**

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and hereby respectfully submits this *Staff Recommendation*.

1. On March 31, 2022, the above-referenced Gascosage Technologies, LLC (“Company”) filed a letter requesting the Commission recognize its name change to GTech Fiber, LLC. On April 8, 2022 the Company completed its filing of all requisite documentation.

2. Rule 20 CSR 4240-28.011(4) provides that transactions involving the sale, merger, or consolidation of a company with an existing certificate of service authority or registration do not require commission approval, but if the transaction results in a name change then the notice provisions of section 20 CSR 4240-28.011(2) apply. Rule 20 CSR 4240-28.011(2) establishes filing requirements for certificated company name changes which provides that any company with a certificate or registration that changes its name shall provide advance notice to the Commission of the name change. In lieu of a Memorandum, Staff herein states that the Company has complied with the rule. No entities intervened to oppose the name change. The Company is not delinquent in any required filings with the Commission.

WHEREFORE, Staff recommends that the Commission recognize the name change of Gascosage Technologies, LLC to GTech Fiber, LLC; and grant such other and further relief as it finds just in the circumstances.

Respectfully submitted,

/s/ Eric Vandergriff
