ORDER DIRECTING MISSOURI JOINT MUNICIPAL
ELECTRIC UTILITY COMMISSION TO LIST ITS MUNICIPALITIES

Issue Date: January 31, 2006

Effective Date: January 31, 2006

On December 27, 2005, Union Electric Company d/b/a AmerenUE asked for permission to assume a lease that NRG Audrain Generating LLC holds in Audrain County's NRG Audrain Facility. The Missouri Joint Municipal Electric Utility Commission filed an Application for Intervention on January 12.

In its application, MJMEUC stated that it represents six municipalities that currently have wholesale power contracts with AmerenUE, and fourteen municipalities directly embedded in AmerenUE's transmission system that take transmission service through the Midwest Independent System Operator ("MISO"). The Commission will order MJMEUC to list those municipalities.

IT IS THEREFORE ORDERED:

1. That the Missouri Joint Municipal Electric Utility Commission shall file a pleading as ordered above no later than 9:00 a.m., February 2, 2006.
2. That this order shall become effective on January 31, 2006.
