Re: File No. EA-2017-0345

Dear Mr. Woodruff:

Submitted with this cover letter are the additional materials contemplated for filing by the Commission's January 10, 2018 *Order Approving Unanimous Stipulation and Agreement* in File No. EA-2017-0345. These are the final compliance filings to be made in this docket. Due to the size of certain of the files to be submitted, a CD containing those large files is being sent under separate cover to the Data Center.

Regards,
