**RE: Case No. AX-2008-0201
In the Matter of Proposed Revision to
4 CSR 240-4.020**

Dear Judge Dale:

As president of the Missouri Telecommunications Industry Association, I am filing our response to the *Notice of Opportunity to Comment* that was issued by the Missouri Public Service Commission on April 10, 2008.

Our members appreciate the opportunity to comment during the initial development of this proposed rule. Unfortunately, due to the need to reach consensus among several member companies and the approaching deadline, we are not able to offer a comprehensive response at this time. We do look forward to the opportunity to be fully involved as this rule progresses through the public comment and hearing process.

Sincerely,
