Re: Amendment to Interconnection Agreement between Southwestern Bell Telephone Company,
d/b/a AT&T Missouri and Airus, Inc. ("CLEC")

Dear Judge Woodruff,

AT&T Missouri and CLEC would like to advise, pursuant to 4 CSR 240-28.080(2), that they have amended their current interconnection agreement to extend its terms to the State of Texas (with Texas pricing). As explained in more detail below, the amendment uses the same format the parties previously used to extend the agreement to Missouri follows and substantively adopts the same terms previously approved by the Commission.

The Amendment with the signature page, submitted with this letter, has incorporated terms and conditions substantially the same as those in the following previously-approved interconnection agreement amendment (see Exhibit D, .pdf pp. 283-287 of 314 of the previously-approved agreement for the extension of that agreement to Missouri):

<u>Subject</u>	<u>MoPSC Case/Tracking No.</u>
Expanding agreement	IK-2017-0160

We would respectfully request the Commission's acceptance of this filing and its expeditious approval of the parties' amendment to their interconnection agreement.

Please contact me if there are questions or if additional information is needed. Thank you for your assistance.

Very truly yours,

Leo J. Bub
Attorney for Southwestern Bell Telephone
Company, d/b/a AT&T Missouri
