

**BEFORE THE MISSOURI PUBLIC SERVICE COMMISSION**

IN THE MATTER OF R.D. SEWER CO, L.L.C.

**RATE CASE (Small Company)**

CASE NO SR-2009-0226

**ENTRY OF APPEARANCE AND MOTION TO EXTEND TIME FOR AUDIT  
FOR R.D. SEWER CO, L.L.C.**

Comes Now Terry C. Allen, Attorney, and enters his appearance on behalf of R.D. Sewer Co., L.L.C. for the purpose of moving this Commission to grant additional time for the audit to determine rates in this case. The reasons for this Motion are:

1. This past week end I received a call from Rodger Owens advising that the rate audit could not be completed within the current time allowed as the recent ice storm in the Bootheel set them back for over a week with no electricity and some of the auditors have been sick. The auditors asked Mr. Owens to request additional 30 days from the current date that the audit is due.
2. I am told that the current date due is February 17, 2009, and in trying to verify that date, I found that there is no calendar of events on the current web page for EFIS in this case or at least this writer has been unable to pull it up accurately. In any event, the auditors are looking for an additional thirty days for the right reasons and not to delay or prejudice anyone in the process and it is submitted that this request is appropriate.

WHEREFORE, it is respectfully requested that the Motion herein be granted.
