Q: Please state your name and business address.

A: My name is Kevin E. Bryant. My business address is 1200 Main Street, Kansas City, Missouri 64105.

Q: By whom and in what capacity are you employed?

A: I am employed by Kansas City Power & Light Company ("KCP&L" or "Company"). As of March 1, 2011, I am now Vice President, Strategy and Risk Management. Until March 1, 2011, I served as Vice President, Energy Solutions.

Q: What are your responsibilities?

A: I am now responsible for eight areas: Strategic Planning, Enterprise and Credit Risk Management, Energy Resource Planning, Long-Term Financial Forecasting, Insurance, Business Planning and Load Forecasting. I am also still responsible for certain strategy and planning aspects related to the Company's demand side management ("DSM") initiatives.

Q: Please describe your education, experience and employment history.

A: I received dual undergraduate degrees in finance and real estate from the University of Missouri – Columbia where I graduated Cum Laude in May 1997. I

received my Masters in Business Administration degree with an emphasis in finance and marketing from the Stanford University Graduate School of Business in June 2002.

I joined Great Plains Energy Incorporated ("GPE"), the parent company to KCP&L, in 2003 as a Senior Financial Analyst and was promoted to Manager - Corporate Finance in 2005 where I was responsible for contributing to the development and maintenance of the sound financial health of both GPE and KCP&L through the management of company financing activities. I was promoted to my current position at KCP&L in March, 2011. Prior to joining GPE, I worked for THQ Inc. from 2002 to 2003, a worldwide developer and publisher of interactive entertainment software based in Calabasas, California. I served as Manager - Strategic Planning where I was responsible for establishing corporate goals and developing and assisting with the execution of the Company's strategic plan. From 1998 to 2000, I worked as a Corporate Finance Analyst for what is now UBS Paine Webber. I worked on mergers and acquisitions for medium and large-sized companies. I also worked at Hallmark Cards as a Financial Analyst from 1997 to 1998.

Q: Have you previously testified in a proceeding at the Missouri Public Service Commission ("Commission") or before any other utility regulatory agency?

A: Yes, I have. I testified before the Commission in Case No. EM-2007-0374 (Aquila acquisition). I also testified before the Kansas Corporation Commission regarding KCP&L's application for its proposed Home Performance with

ENERGY STAR[®] program and in the recent pre-determination hearings regarding the proposed La Cygne Retrofit project.
