STAFF'S STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission and reports to the Commission on the status of this case as follows:

1. On March 27, 2012, the Commission issued an order directing Staff to file a stipulation and agreement or additional status report by April 11, 2012.
2. After Staff and Kansas City Power & Light Company reduced the terms of an agreement to resolve this file to writing that they shared with Public Counsel, Public Counsel provided input that caused them to make changes to that writing.
3. Staff circulated to the parties yesterday what it hopes is a final draft of the language of the stipulation and agreement it anticipates will be filed in this case. If the parties do not reach a resolution of this case, Staff will notify the Commission and file its recommendation shortly thereafter.

WHEREFORE, for its status report, Staff notifies the Commission it anticipates this case will settle; however, if it does not, Staff will notify the Commission and file a recommendation shortly thereafter.

Respectfully submitted,

/s/ Nathan Williams
