GMO's "Exhibit – ASC Topic 815" will be marked as GMO Exhibit No. 21, and GMO's "Filing Memorandum" and the three additional attachment filings will collectively be designated as GMO Exhibit No. 22. Any party citing to GMO Exhibit No. 22 in any future filing shall identify that citation by exhibit number and the specific title and page of the attachment within that exhibit that is being referenced.

No party has filed responses or objected to any of the late-filed exhibits and the Commission will admit them all into the evidentiary record.
