File No. EO-2019-0065

ORDER OPENING A FILE REGARDING SPECIAL CONTEMPORARY RESOURCE PLANNING ISSUES AND OFFERING AN OPPORTUNITY TO FILE SUGGESTIONS

Issue Date: September 7, 2018

Effective Date: September 7, 2018

A provision in the Commission's revised electric utility resource planning rule, 4 CSR 240-22.080(4), requires Missouri's electric utilities to consider and analyze special contemporary issues in their triennial compliance filings or in their annual update reports. The regulation requires the Commission to issue an order by November 1 of each year, specifying the list of special contemporary issues each electric utility is to address. The regulation also provides that by September 15, Staff, Public Counsel, and other interested parties may file suggested issues for consideration. The regulation then allows the utilities and other parties until October 1 to file comments regarding the suggested issues.

The Commission has created this file to facilitate the process established by the regulation. Any party that wishes to suggest an issue for consideration by Union Electric Company, d/b/a Ameren Missouri may file its suggestion in this case by September 15. All parties to Ameren Missouri's most recent triennial filing, File No. EO-2018-0038, will be made parties to this case.

THE COMMISSION ORDERS THAT:

1. All parties to File No. EO-2018-0038 are made parties to this case.
2. Any party wishing to suggest a special contemporary issue that Union Electric Company, d/b/a Ameren Missouri should consider in its next annual update report shall file its written suggestion no later than September 15, 2018.
3. This order shall be effective when issued.
