OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a )  
Ameren Missouri's 3rd Filing to Propose ) File No. EO-2018-0211  
Regulatory Changes pursuant to MEEIA. )

**APPLICATION TO INTERVENE BY THE CONSUMERS COUNCIL OF MISSOURI**

COMES NOW the Consumers Council of Missouri ("Consumers Council" or "CCM"), by and through counsel, pursuant to Commission Rule 4 CSR 240-2.075, and respectfully applies for intervention as a party to the above MEEIA case, initiated by Union Electric Company d/b/a Ameren Missouri ("Ameren" or "Company").

In support of this application, Consumers Council states as follows:

1. Consumers Council is a non-governmental, nonpartisan, nonprofit corporation that is dedicated to educating and empowering consumers statewide and to advocating for their interests. Consumers Council of Missouri was originally founded in 1971 as Utility Consumers Council of Missouri and has participated in numerous cases at the Missouri Public Service Commission ("Commission"), including several previous and current Ameren Missouri rate cases.

2. Correspondence, communications, orders and the decision in this matter should be addressed to:

3. Consumers Council's interest in this matter relates the Company's residential electric customers. This interest is different than the general public interest. No other intervenor exclusively represents the residential customer class. Consumers Council also wishes to promote the interests of low income and low usage residential customers, as well as the interests of vulnerable customers who require electric service for basic health and safety needs. Certain programs proposed by the Company purport to involve such customers. Consumers Council is also concerned about the general rate impact of certain proposals. Consumers Council reserves the right to further develop its positions in this case, based upon further analysis.

4. Consumers Council has intervened in several recent and related Ameren Missouri rate cases, including ER-2018-0226 and GR-2018-0227. Consumers Council believes that its intervention and participation in this proceeding would serve the public interest and wishes to become a party to this case for all purposes.

WHEREFORE, Consumers Council respectfully requests that the Commission grant its Application to Intervene, entitling it to fully participate in this proceeding.

Dated: June 13, 2018

Respectfully submitted,

/s/ John B. Coffman
