

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of KCP&L Greater  
Missouri Operations Company for Authority to Sell  
its Liberty Service Center

## ORDER DIRECTING STAFF RECOMMENDATION

Issue Date: January 19, 2010

Effective Date: January 19, 2010

On January 14, 2010, KCP&L Greater Missouri Operations (“GMO”) filed an application for approval to sell its Liberty Springs Service Center. The Commission will direct its Staff to file its recommendation as to whether the Commission should approve the transaction. However, because Section 393.190.1 only requires Commission approval for transfer of assets that are necessary or useful to the performance of GMO duties to the public, the Commission’s Staff will also provide a legal analysis as to whether GMO must seek Commission approval prior to disposing of its Liberty Service Center.

**THE COMMISSION ORDERS THAT:**

1. No later than February 16, 2010, the Staff of the Missouri Public Service shall file a recommendation and the legal analysis as directed in the body of this order.
2. This order shall become effective immediately upon issuance.

**BY THE COMMISSION**

Steven C. Reed  
Secretary

Harold Stearley, Senior Regulatory Law Judge,  
by delegation of authority pursuant to  
Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
