ORDER SCHEDULING EVIDENTIARY HEARING

Issue Date: October 7, 2005

Effective Date: October 7, 2005

WST, Inc. has filed an application asking the Commission for a variance from Kansas City Power & Light Company's tariff regarding master metering requirements for a condominium project that WST is developing. Because the first condominium sale is scheduled to close on October 19, the Commission must act very quickly on this application. Therefore, an evidentiary hearing will be scheduled for October 12. Because this hearing is being expedited, there will not be enough time to allow for the submission of prefiled testimony. Therefore, all testimony will be presented live at the hearing. Post-hearing briefs will not be permitted. Rather, the parties are directed to present oral arguments at the conclusion of the evidentiary hearing.

IT IS THEREFORE ORDERED:

1. That an evidentiary hearing is scheduled for October 12, 2005, beginning at 8:30 a.m. The hearing will be held in Room 305 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. This hearing will be held in a building that meets accessibility standards required by the Americans with Disabilities Act. If you need

additional accommodations to participate in this hearing, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.

2. That this order shall become effective on October 7, 2005.
