ORDER DIRECTING NOTICE, ESTABLISHING INTERVENTION
DEADLINE, AND DIRECTING STAFF TO FILE RECOMMENDATION

Issue Date: August 8, 2007

Effective Date: August 8, 2007

On August 3, 2007, Kansas City Power & Light Company (“KCPL”) filed an application for waivers concerning certain of the Commission’s Electric Utility Resource Planning (“IRP”) reporting requirements, as set forth in Chapter 22 of the Commission’s Rules, for its August 2008 IRP submission. The Commission would like to have the benefit of a recommendation from its Staff before it further considers this application. The Commission will direct its Staff to file a recommendation or a status report advising the Commission of a date certain that Staff will file a recommendation in this matter.

KCPL's last IRP submission resulted in a contested case and was assigned Case No. EO-2007-0008. The parties to that case ultimately resolved their differences and filed a stipulation and agreement, that was ultimately approved by the Commission. Since a Commission decision on the requested waivers could impact that stipulated agreement, the Commission's Data Center shall mail a copy of this order and KCPL's application to all parties of record in EO-2007-0008. The Commission shall also set a deadline for interested parties to request intervention.

The Commission shall also set a deadline for requesting a hearing in this case. The requirement of a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If no proper party or governmental entity is granted intervention and neither the Commission's Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary.

IT IS ORDERED THAT:

1. The Missouri Public Service Commission's Data Center is ordered to serve notice as set out herein.

2. Any proper person wishing to intervene shall file an application to do so no later than August 28, 2007. Such applications shall be filed with:

Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

with a copy served on:

Curtis D. Blanc
Kansas City Power & Light Company
1201 Walnut – 20th Floor
Kansas City, Missouri 64106
Attorney for Kansas City Power & Light Company

and:

Office of the Public Counsel
Post Office Box 2230
Jefferson City, Missouri 65102

3. The Staff of the Missouri Public Service Commission shall file a recommendation regarding Kansas City Power & Light Company's application for waivers or a status report informing the Commission of a date certain on which Staff will file a recommendation in this matter on or before September 7, 2007.

4. Any party to this case wishing to request a hearing shall do so no later than September 17, 2007.

5. This order shall become effective on August 8, 2007.
