Case No. EE-2008-0151

ORDER DIRECTING SECOND NOTICE TO ROGER COWAN

Issue Date: December 5, 2007

Effective Date: December 5, 2007

On December 3, 2007, the Commission added Mr. Roger Cowan as a party to this action and directed its Data Center to serve notice on Mr. Cowan at 8360 NW Fox Road, St. Joseph, Missouri 64506, the address provided to the Commission by Heritage Farms, Inc. That same order directed KCPL to file any other known address for Mr. Cowan with the Commission to help ensure that proper notice be sent to Mr. Cowan.

On December 5, KCPL filed a pleading with the Commission stating that it had no other residential address for Mr. Cowan. Also on December 5, the Staff of the Missouri Public Service Commission filed a pleading identifying a second address for Mr. Cowan that it discovered in a public search of the Platte County, Missouri Assessor's Office property information. The Commission shall direct its Data Center to serve notice of this action, and a copy of the December 3 order adding Mr. Cowan as a party to this action, to Mr. Cowan at the secondary address provided by Staff.

Staff filed the address information as a highly confidential document per the Commission's same directive to KCPL. Although Staff discovered this information on a search of public documents, the Commission will maintain the confidential status of this address as a courtesy to Mr. Cowan until such time as he has had an opportunity to respond to the Commission's December 3 order.

IT IS ORDERED THAT:

1. The Commission's Data Center shall serve notice of this action, and a copy of its December 3, 2007 order adding Mr. Cowan as a party to this action, on Mr. Cowan at the address identified in the Staff of the Missouri Public Service Commission's December 5, 2007 pleading "Notice of Mailing Address for Roger Cowan."
2. The Commission's Data Center shall maintain the confidentiality of Mr. Cowan's alternative address unless later ordered to declassify said information.
3. This order shall become effective on December 5, 2007.
