Effective Date: July 22, 2020

On June 23, 2020, Union Electric Company, d/b/a Ameren Missouri (Ameren Missouri) filed an application seeking variance from certain provisions of Commission Rule 20 CSR 4240-20.100(8)(A), concerning information to be reported in Ameren Missouri's Annual Renewable Energy Standard Compliance Report.

After considering the unopposed application to intervene, the Commission finds that allowing MIEC to intervene will serve the public interest.¹

THE COMMISSION ORDERS THAT:

1. MIEC's application to intervene is granted.
2. This order shall be effective when issued.

¹ Bases for granting intervention include a finding intervention will serve the public interest. 20 CSR 4240-2.075(3).
