**COMES NOW** the Staff ("Staff") of the Missouri Public Service Commission ("Commission"), by and through Counsel, and for its Motion states:

1. On April 12, 2012, Kansas City Power & Light Company (KCPL) and KCP&L Greater Missouri Operations Company (GMO) filed their Application requesting that the Commission issue a Depreciation Authority Order authorizing each to depreciate certain accounts with a specific depreciation rate.

2. On April 13, 2012, the Commission entered its *Order Directing Notice and Filings*, in which it, *inter alia*, directed its Staff to file a Recommendation on the April 12, 2012, Application no later than May 11, 2012.

3. In that Staff has not yet received responses to its data requests issued April 26, 2012, and due May 16, 2012, nor necessarily reviewed those responses, Staff is unable to present any recommendation on May 11, 2012.

4. Staff respectfully requests extension of the time to file its Recommendations to at least May 30, 2012, and modification of the time for other parties to respond to the Staff's Recommendation accordingly.

5. Staff has contacted counsel for GMO and KCPL, who indicated no objection to this request.

6. Staff does not believe that any party will be harmed by the granting of its request for an extension of time to file its Recommendation, nor does Staff make its request so as to unduly delay these proceedings.

**WHEREFORE**, Staff requests that the Commission expand the time for the filing of its Recommendation until at least May 30, 2012.

Respectfully submitted,
