ORDER DIRECTING FILING

Issue Date: August 30, 2012

Effective Date: August 30, 2012

On April 13, 2012¹, Nickie Hertzog filed an application with the Missouri Public Service Commission requesting that her electric supplier be changed from Osage Valley Electric Cooperative ("Osage Valley") to Kansas City Power & Light ("KCP&L").² The Commission made Osage Valley a party. Both Osage Valley and the Staff of the Commission oppose her request.

The Commission set a prehearing conference for September 11. Osage Valley filed a motion to reschedule the conference to later that afternoon, due to its' counsel having a prior engagement in the morning.

Osage Valley stated that it did not know if Staff or Ms. Hertzog objected to the motion. Thus, the Commission will allow time for objections to the motion.

THE COMMISSION ORDERS THAT:

1. Any objections to the Motion to Reschedule Prehearing Conference shall be filed no later than September 4, 2012.

¹ All calendar references are to 2012 unless otherwise noted.

² Ms. Hertzog appears to be referring to KCP&L Greater Missouri Operations Company ("GMO"), and not Kansas City Power & Light Company.

2. This order shall become effective upon issuance.
