Effective Date: February 20, 2010

On December 23, 2009, KCP&L Greater Missouri Operations Company (KCPL-GMO) filed an application containing the company's annual fuel adjustment clause (FAC) true-up to remedy an undercollection of \$988,989 for the territory formerly served by Aquila Networks-MPS and an under collection of \$175,393 for the territory formerly served by Aquila Networks-L&P.

The Commission's rule regarding fuel adjustment clauses requires the Commission's Staff to examine and analyze the information submitted by the company and to submit a recommendation within 30 days.<sup>1</sup> Staff filed its recommendation on January 22, 2010. Staff did not propose any adjustments to the true-up amounts identified by the company. Staff indicated that the undercollection amounts are included in the company's current semi-annual FAC filing in EO-2010-0191 for the period of June 1, 2009, through November 30, 2009.
