A prehearing conference was held in this matter on January 12, 2010, and a procedural schedule was scheduled to be filed on January 19, 2010. On January 19, the Staff of the Commission filed a motion to stay the filing of the procedural schedule. The Commission finds the request reasonable and grants Staff's motion. The Commission will direct the applicants to notify the Commission in writing whether they wish to pursue their application further. If no response is received, the Commission may dismiss this application.
