ORDER SCHEDULING PREHEARING CONFERENCE

Issue Date: September 10, 2010

Effective Date: September 10, 2010

On August 31, 2010, the Staff of the Commission filed a prudence report and recommendation regarding its review of costs related to Union Electric Company, d/b/a AmerenUE's Fuel Adjustment Clause. Staff recommends the Commission find that AmerenUE was imprudent in not including all costs and revenues associated with certain off-system sales of energy in determining associated fuel adjustment clause charges. As a result of this alleged imprudence, Staff recommends the Commission order AmerenUE to refund \$24.1 million, plus interest accrued after May 2010, to its customers through an adjustment to its fuel adjustment clause charge. On September 9, AmerenUE filed a timely request for a hearing regarding Staff's recommendation.

So that this matter may be promptly resolved, the Commission will schedule a prehearing conference to discuss a procedural schedule.
