ORDER REGARDING RESPONSES TO
MOTION FOR PARTIAL SUMMARY DETERMINATION

Issue Date: December 10, 2007

Effective Date: December 10, 2007

On December 5, 2007, AG Processing, Inc., Sedalia Industrial Energy Users' Association, and Praxair, Inc. (collectively, the Industrial Intervenors), filed a Motion for Partial Summary Determination. The Industrial Intervenors requested that the Commission issue an order finding that the proposed regulatory amortization mechanism, to the extent not agreed to by the parties to this proceeding, violates Section 393.135, RSMo. Because the hearing was in progress, the Commission set an expedited deadline of December 11, 2007, at 5:00 p.m. for responses to the motion.

This filing deadline shall be postponed. Since the Applicants have indicated that they intend to amend their merger plan, responses to the motion would be premature. If the new plan contains the same features objected to in the motion, then the motion may be renewed and the parties will be given a new response deadline.

IT IS ORDERED THAT:

1. The filing deadline for responses to the Motion for Partial Summary Determination filed on December 5, 2007, by AG Processing, Inc., Sedalia Industrial Energy Users' Association, and Praxair, Inc., is postponed until further order of the Commission.
2. This order shall become effective on December 10, 2007.
