ORDER GRANTING EXTENSION

Issue Date: November 4, 2021

Effective Date: November 4, 2021

On September 30, 2021, Union Electric Company d/b/a Ameren Missouri filed an application with the Missouri Public Service Commission for approval of the sale of certain electric transmission facilities. Ameren Missouri requests the Commission grant it authority to sell approximately 1.5 miles of 161 kV radial line to Wabash Valley Power Association. Ameren Missouri indicated the proposed sale is contingent on Commission approval of its affiliate's, Ameren Transmission Company of Illinois, certificate of service request in File No. EA-2022-0087. An order granting the requested certificate in File No. EA-2022-0087 was issued by the Commission on November 3, 2021.

The Commission directed notice of the application and set a deadline for interested parties to intervene. Additionally, the Commission directed its Staff to file a recommendation or status report stating when it expects to file its recommendation no later than November 1, 2021. On November 1, 2021, Staff filed a status report requesting an additional 30 days to file its recommendation.

The Commission finds Staff's request is reasonable and will grant the extension.

THE COMMISSION ORDERS THAT:

1. No later than December 1, 2021, the Staff of the Missouri Public Service Commission shall file a recommendation or status report stating when it expects to file its recommendation.
2. This order shall be effective when issued.
