**Subject:** Missouri Renewable Energy Standard workshop

4/14/2009

The second Missouri Renewable Energy Standard rulemaking workshop will be held at 9:00 a.m. on Monday, April 13, 2009 in the Governor Office Building ballroom (Conference Room 450), 200 Madison Street, Jefferson City, MO. There is a city parking garage across Madison Street from the workshop location. Appropriate attire for the workshop will be business casual.

The workshop will be webcast. To observe the workshop via the webcast, go to the Missouri Public Service Commission website ([www.psc.mo.gov](http://www.psc.mo.gov)). On the right-hand side of the website, there is a block titled "WATCH IT NOW! PSC Meetings & Hearings". Click on this block and then follow the instructions for the workshop webcast.

We are also planning to have dial-up teleconference capability for up to 30 participants. The local Jefferson City number is 526-5398 and the toll-free long-distance number is 866-630-9345.

During the workshop, if you experience technical difficulties or can't reach the workshop coordinators utilizing the teleconference capability, please call Susan Sundermeyer at 573-751-4113. I will also check my e-mail during lunch and breaks.

The agenda for the workshop is attached. Due to the large amount of material that must be covered in the workshop, we will adhere to the schedule as close as possible.

I have also attached a draft copy of the proposed rule (Revision 5). This draft of the proposed rule will be utilized for the workshop. Revision 5 is a mark-up of Revision 3. Revision 3 was the version that was utilized for the first workshop. Some section and paragraph identification was changed and not shown as a mark-up.

Following the workshop, we will transmit a marked-up draft of the proposed rule to everyone on this distribution list. Additional written comments can be submitted to Staff following that transmittal. Comments should be sent to the following e-mail address: [RES\\_Rule\\_Comments@psc.mo.gov](mailto:RES_Rule_Comments@psc.mo.gov) Staff will then prepare a draft rule for submission to the Commission. After the proposed rule is approved by the Commission, it will be printed in the Missouri Register and formal comments can be submitted.

If anyone needs information on overnight accommodations or related items, I have included a link to the Jefferson City Convention and Visitors Bureau.
