Subject: Missouri RES update

I have attached a copy of the Discussion Items generated as a result of the July 29 RES working session. This copy of the Discussion Items has been annotated with Staff Comments following each item. The comments are indicative of the general direction that Staff is taking on these issues.

Staff is currently developing another draft of the proposed rules. This draft will include alternative wordings in several sections to highlight the differing opinions of various entities. For the alternatives in this next draft of the proposed rules, Staff will designate a (Staff) recommended alternative. This draft may be reviewed by the Commission at a future date.

As we continue towards the formal rulemaking process, your comments and recommendations are welcomed.

If you have any questions, please contact me.
