ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: August 2, 2006

Effective Date: August 2, 2006

On June 22, 2006, the Staff of the Missouri Public Service Commission filed a motion requesting that the Commission establish a case, provide notice, set an intervention deadline and schedule an early prehearing conference for the purpose of determining whether to adopt the Fuel Sources Standard established in Section 1251 of the Energy Policy Act of 2005 ("EPAAct"). The Commission granted Staff's motion on June 23, 2006.

The following entities filed timely applications to intervene in this matter pursuant to 4 CSR 240-2.075:

Sierra Club

Audubon Missouri

Ozark Energy Services

Mid-Missouri Peaceworks

Heartland Renewable Energy Society

The requests to intervene establish that each entity has an interest in this case that is different from that of the general public. Furthermore, those interests may be adversely

affected by a final order arising from this case. No other party has opposed these applications for intervention in the time allowed by the Commission. Therefore, Commission Rule 4 CSR 240-2.075(4) authorizes the Commission to grant the requests to intervene.

IT IS ORDERED THAT:

1. Sierra Club's Application for Intervention is granted.
2. Audubon Missouri's Application for Intervention is granted.
3. Ozark Energy Services' Application for Intervention is granted.
4. Mid-Missouri Peaceworks' Application for Intervention is granted.
5. Heartland Renewable Energy Society's Application for Intervention is granted.
6. This order shall become effective on August 2, 2006.
