

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of an Investigation of Union)
Electric Company d/b/a AmerenUE) **Case No. EO-2006-0430**

ORDER GRANTING INTERVENTIONS

Issue Date: May 31, 2006

Effective Date: May 31, 2006

On May 11, 2006, the Missouri Public Service Commission opened this case directing the Staff of the Commission to begin a formal investigation of Union Electric Company d/b/a AmerenUE. The Commission established May 21, 2006, as the deadline for interested parties to intervene. On May 19, 2006, AARP filed an application to intervene. Anheuser-Busch, DaimlerChrysler, Ford, General Motors, Hussmann Refrigeration, J.W. Aluminum, Monsanto, Pfizer, Precoat, Procter & Gamble, Nestle Purina and Solutia ("Missouri Industrial Energy Consumers") also filed an application to intervene.

Commission Rule 4 CSR 240-2.075 governs intervention before the Commission. That rule states that the Commission may allow a party to intervene if the proposed intervenor has an interest which is different from that of the general public and which may be adversely affected by a final order arising from the case, or granting the proposed intervention would serve the public interest. Upon review of the applications, and considering no objections have been made to AARP or Missouri Industrial Energy Consumers' applications to intervene, the Commission finds that the proposed

interveners either have an interest which is different from that of the general public and which may be adversely affected by a final order arising from the case, or that granting the proposed interventions would serve the public interest. Therefore, the Commission will grant AARP and Missouri Industrial Energy Consumers' applications to intervene.

IT IS ORDERED THAT:

1. The application to intervene filed by AARP, is granted.
2. The application to intervene filed by Anheuser-Busch, DaimlerChrysler, Ford, General Motors, Hussmann Refrigeration, J.W. Aluminum, Monsanto, Pfizer, Precoat, Procter & Gamble, Nestle Purina and Solutia, collectively known as Missouri Industrial Energy Consumers, is granted.
3. This order shall become effective on May 31, 2006.
