**NOTICE OF ON-THE-RECORD PRESENTATION**

Issue Date: January 10, 2008

Effective Date: January 10, 2008

On February 5, 2007, Aquila Inc., d/b/a Aquila Networks – MPS and Aquila Networks – L&P, filed its Utility Resource Filing as required by 4 CSR 240-22. This filing is also sometimes known as an integrated resource plan, or IRP.

On November 1, 2007, Aquila, the Staff of the Commission, the Office of the Public Counsel, the Missouri Department of Natural Resources, and Dogwood Energy, LLC, filed a non-unanimous stipulation and agreement that purports to resolve all alleged deficiencies in the filing. The City of Kansas City, Missouri, the City of Saint Joseph, Missouri and Sedalia Industrial Energy Users' Association did not sign the stipulation and agreement. However, Commission Rule 4 CSR 240-2.115 provides that if no party objects to a non-unanimous stipulation and agreement within seven days of its filing, the stipulation and agreement may be treated as unanimous. No party has objected. Therefore, the stipulation and agreement will be treated as if it were unanimous.

The Commission has questions about the stipulation and agreement, and will schedule an on-the-record presentation for parties to answer those questions. The Commissions' questions may cover, but not be limited to, the following topics:

- Load growth and plans to meet that growth
- Generation portfolio
- Demand side management
- Demand response
- Combined heat and power and cogeneration issues
- Efforts to prepare for climate change and new federal climate policy

**IT IS ORDERED THAT:**

1. The Commission will convene an on-the-record presentation for the parties to respond to Commission questions on January 30, 2008, at 10:00 a.m. It will be held at the Commission's offices in Room 310 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, a facility that meets the accessibility standards of the Americans with Disabilities Act (ADA). If any person needs additional accommodations to participate in these proceedings, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the presentation.

2. This order shall become effective on January 10, 2008.
