ORDER SUSPENDING DEADLINE

Issue Date: November 6, 2015

Effective Date: November 6, 2015

On November 5, 2015, applicants provided notice to the Commission and the other parties that errors were found in their original filing. Applicants stated that they anticipate filing an amended application next week. Since an amended application may not be filed until after the November 9 deadline for Staff to file its recommendation, Applicants do not oppose an extension of Staff's deadline.

On November 6, Staff filed a motion requesting additional time to submit its report to allow for a review of any future filing by the applicants. Finding Staff's request to be reasonable, the Commission will stay the current deadline for Staff's to submit a recommendation.

THE COMMISSION ORDERS THAT:

1. The deadline for the Commission's Staff to file a recommendation on the application to transfer electric power suppliers shall be stayed pending further order of the Commission.

2. This order shall be effective when issued.
