RE: Case No. EO-2005-0329; In the Matter of a Proposed Experimental
Regulatory Plan of Kansas City Power & Light Company

Dear Judge Pridgin:

The Staff is in receipt of the Motion For Extension Of Time To File Suggestions And Motion For Expedited Treatment of the Office of Public Counsel filed on May 19, 2005. The Staff has no objection to an extension of time to May 27, 2005 for all parties to respond to the Suggestions In Support filed by the Staff on May 10, 2005.

Staff counsel has talked with Counsel for the United States Department of Energy, who has asked that the view be expressed on his behalf that in fairness, a one week extension should be granted to all parties to respond to the Staff's Suggestions In Support. The Staff concurs.

Staff counsel also has advised Counsel for Concerned Citizens of Platte County and the Sierra Club that the Staff has no objection to Public Counsel's request and that Staff counsel will suggest that all parties be granted an extension of time to May 27, 2005.

Very truly yours,

Steven Dottheim
