ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under section 700.040, RSMo 2016, the commission amends a rule as follows:

4 CSR 240-120.080 Commission Reports is amended.

A notice of proposed rulemaking containing the proposed amendment was published in the *Missouri Register* on August 15, 2017 (42 MoReg 1151). No changes to the proposed amendment were made so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended September 15, 2017, and the commission held a public hearing on the proposed amendment on September 22, 2017. The commission received one written comment regarding this rule from the staff of the commission. Staff explained the original amendment and proposed complete rescission of the rule as unnecessary.

COMMENT #1: Staff commented that originally, amendments were proposed to change the title of the person responsible for the program. However, upon further review of the rules in conjunction with Executive Order 17-03, staff recommends that this rule be rescinded in its entirety because it simply restates a federal requirement imposed on the manager.

RESPONSE: The commission cannot rescind the rule at this time, because it was not noticed as a rescission in the *Missouri Register*. Thus, the commission will make the original proposed changes and consider a rescission once these changes are final.
