**Case No. EO-2007-0008**

**ORDER GRANTING EXTENSION OF TIME TO RESPOND**

Issue Date: November 1, 2006

Effective Date: November 1, 2006

Kansas City Power & Light Company has filed its Integrated Resource Plan (IRP) pursuant to Chapter 22 of the Commission's rules. Sections (5) and (6) of 4 CSR 240-22.080 provide that the Commission's Staff and the other parties have until November 2, 2006, to file a report or comments regarding the IRP. On October 31, the Missouri Department of Natural Resources and the Office of the Public Counsel filed a request for additional time to respond to the IRP.

DNR and Public Counsel explained that for various reasons they require more time to consider the IRP and to prepare their response to that document. The motion represents that the other parties have indicated that they do not oppose the request for more time.

Section 12 of 4 CSR 240-22.080 provides that the Commission may extend or reduce any of the time periods specified in the rule for good cause shown. The Commission finds that DNR and Public Counsel have shown good cause for extending the time for response to the IRP, and the requested extension of time will be granted.

**IT IS ORDERED THAT:**

1. The Request for Extension of Time is granted.

2. The reports and comments required or allowed by 4 CSR 240-22-080(5) and (6) are now due by November 15, 2006.

3. This order shall become effective on November 1, 2006.
