## ORDER DIRECTING NOTICE AND ESTABLISHING TIME TO RESPOND TO APPLICATION FOR WAIVER

Issue Date: August 5, 2010

Effective Date: August 5, 2010

On August 5, 2010, Kansas City Power & Light Company (KCP&L) filed an application asking the Commission to waive a provision of its Electric Utility Resource Planning (IRP) regulation to allow KCP&L to delay filing its next IRP submission from August 5, 2011, until April 1, 2012. Before acting on KCP&L's application, the Commission will provide notice to potentially interested parties and will establish a time to respond to that application.

1. Any party that wishes to respond to Kansas City Power & Light Company's Application for Waiver shall do so no later than September 7, 2010.
2. The Commission's data center shall send a copy of this order to each party in Kansas City Power & Light Company's 2008 IRP case, which is file number EE-2008-0034.

3. This order shall become effective immediately upon issuance.
