This map predicts and approximates our wireless coverage area outdoors, which may vary from location to location and may change without notice. It may include locations with limited or no coverage. Our maps do not guarantee service availability. Even within a coverage area, there are several factors, such as: network changes, traffic volume, service outages, technical limitations, signal strength, your equipment, terrain, structures, foliage, weather, and other conditions that may interfere with actual service, quality, and availability, including the ability to make, receive, and maintain calls. Multi-band (850/1900 MHz) GSM/GPRS handset required for access to 850 Roaming Coverage. Ask a T-Mobile sales representative or visit [www.t-mobile.com/morecoverage](http://www.t-mobile.com/morecoverage) for more information regarding handset requirements and T-Mobile 850 MHz coverage. 850 MHz roaming is offered through our roaming partners; some features (e.g. picture messaging, mobile to mobile) may not be available while roaming. [Learn more](#) >

## Cingular Coverage Viewer

The Cingular Wireless network has the largest digital voice and data coverage in America. Enter your location to see coverage in your area. You can zoom in and re-center the map by clicking on it.

### Address

### Coverage Legend

<span style="background-color: #c0392b; border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	Best	<span style="background-color: #fbc02d; border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	Partner
<span style="background-color: #ffcc00; border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	Good	<span style="border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	No Coverage
<span style="background-color: #ffd700; border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	Moderate	<span style="background-color: #2e6b8a; border: 1px solid black; display: inline-block; width: 15px; height: 15px;"></span>	3G/Mobile Broadband Coverage

Coverage last updated on: March 31, 2007. Map depicts an approximation of coverage.

### Important Information About the Coverage Map

Map may include areas served by unaffiliated carriers, and may depict their licensed area rather than an approximation of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber.

## Power Network Coverage Tool

[Sprint.com](#)[Personal](#)

Sprint gives you the power to know you'll have coverage where it matters. This tool provides high-level estimates of our wireless coverage. Coverage is not available everywhere and varies based on a number of factors. [Learn more.](#)
