File No. EO-2009-0431

ORDER SCHEDULING A PREHEARING CONFERENCE

Issue Date: July 7, 2009

Effective Date: July 7, 2009

On May 29, 2009, KCP&L Greater Missouri Operations Company (KCPL-GMO) filed an application containing the company's annual fuel adjustment clause true up to remedy what it contends is an under-collection of approximately \$1,100,000 for the territory formerly served by Aquila Networks-MPS and an under-collection of approximately \$189,000 for the territory formerly served by Aquila Networks-L&P. KCPL-GMO asked the Commission to approve the under-collection amounts as calculated by the company and to authorize KCPL-GMO to include those amounts in its next accumulation period.

Staff filed its recommendation regarding KCPL-GMO's true-up application on June 25. Rather than accepting KCPL-GMO's reported under-recovery, Staff contends the company has substantially over-recovered during the recovery period. KCPL-GMO indicated its disagreement with Staff in its response filed on July 6.

Since it appears the Commission will need to resolve this disagreement, the Commission will schedule a prehearing conference to allow the Commission and the parties to discuss a procedural schedule.

THE COMMISSION ORDERS THAT:

1. A prehearing conference is scheduled for July 21, 2009, at 2:00 p.m., at the Commission's office at the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, Room 305. This building meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in this conference, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the conference.

2. This order shall become effective immediately upon issuance.
