RE: File No. AO-2010-0213

Dear Mr. Reed:

Callaway Technology, L.L.C. does not provide broadband internet services. We do operate as a dark fiber provider in a small portion of Callaway County and/or the Fulton area. We work with other broadband providers who do bring internet and other broadband services to customers in this area via fiber optic connectivity.

Please contact me if further information is requested.

Sincerely,

Thomas W. Howard
Authorized Representative
