STAFF RECOMMENDATION TO APPROVE TARIFF SHEETS

COMES NOW the Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and states it has reviewed the revised tariffs. Since the approval of Union Electric Company d/b/a Ameren Missouri's ("Ameren Missouri") electric PAYS® Program, the Energy Efficiency Institute has updated the trademarked PAYS® program's required elements. Bill savings from all major fuel sources must now be used to qualify a project under the criterion that project cost is equal to or less than 80% of the estimated post upgrade cost savings over 80% of the upgrade estimated life. Currently, Ameren Missouri's PAYS® tariff only allows for electricity savings to be used. *The Non-Unanimous Stipulation and Agreement Regarding the Implementation of Certain MEEIA Programs Through Plan Year 2023 and Motion for Expedited Treatment* approved on October 27, 2021, provided that the PAYS® program tariff will be updated to include the "all fuels" rule and include electric and gas savings when determining a customer qualifying package. Therefore, Staff recommends the following tariff sheets be approved for service on or after April 20, 2022, to align with trademarked PAYS® guidelines and the Stipulation approved on October 27, 2021.
