NOTICE DECLASSIFYING PART OF VOLUME 6 OF THE TRANSCRIPT

Issue Date: December 17, 2007

During the course of the hearing, the Commission ruled to declassify portions of the exhibits to this matter. Exhibit 301 was declassified from “highly confidential” to “public” as a result of that ruling. Exhibit 301 is the subject of the first part of Volume 6 of the transcript. That volume is currently designated as “highly confidential.”

Because Exhibit 301 is no longer designated as “highly confidential” those portions of the transcript related to that exhibit may also be declassified. Those portions, pages 624–631, are attached to this notice and are hereby declassified pursuant to the ruling of the Commission and the Regulatory Law Judge during the hearing.
