

4. The Parties agree as follows with respect to Data Requests:

(A) Until Rebuttal testimony is filed on January 16, 2018, the response time for all data requests shall be twenty (20) calendar days, with ten (10) calendar days to object or to notify the requesting party that more than twenty (20) calendar days will be needed to provide the requested information.

(B) After January 16, 2018, the response time for data requests shall be five (5) business days to provide the requested information, and three (3) business days to object or to notify the requesting party that more than five (5) business days will be needed to provide the requested information.

5. The Parties agree to the following provisions regarding discovery:

(A) Discovery conferences shall be held on one week's prior notice to all parties.

(B) Discovery conferences will be held in Room 305 at the Commission's office at the Governor's Office Building, 200 Madison Street, Jefferson City, Missouri. Each discovery conference will begin at 10:00 a.m.

(C) Not less than two (2) business days before each discovery conference, any party that has a discovery disagreement or concern involving another party shall file a brief statement describing that disagreement or concern and identifying any other parties involved. Such statement does not need to be a formal motion to compel. Any party may attend a discovery conference, but only those parties involved in an identified discovery disagreement must attend.

(D) Discovery conferences shall be on the record and shall be transcribed by a court reporter.

(E) Any pending written discovery motion may be taken up at a discovery conference and may be ruled upon by the presiding regulatory law judge either on the record, or in a written order.

(F) Commission Rule 4 CSR 240-2.090's requirement that a party must seek a telephone conference with the presiding officer before filing a discovery motion is waived.

(G) All direct case data requests, subpoenas, or other discovery requests shall be issued no later than February 28, 2018. With respect to deposing a witness, so long as a notice of deposition is issued by February 28, 2018, the deposition may occur, notwithstanding that the deposition will take place after February 28, 2018, or that there could be other conditions that must be satisfied prior to the deposition.

(H) All motions to compel a response to any discovery request related to the direct case shall be filed no later than March 7, 2018. The Parties shall make an effort to resolve all discovery disputes well before the hearing; however, the Parties shall present any outstanding motions to compel to the regulatory law judge at the beginning of the hearings on March 12, 2018.

(I) The Parties shall make an effort to not include confidential information in data request questions and the Parties shall make an effort not to over-designate information as confidential. If confidential information must be included in data request questions, the confidential information should be appropriately designated as such pursuant to 4 CSR 240-2.135. Responsibility to make this

designation is upon the party claiming such. Other parties are entitled to rely on the presence or absence of such designation.

(J) Any data requests issued by or to Staff shall be submitted and responded to in the Commission's Electronic Filing and Information System (EFIS). All data requests other than those issued by or to Staff, as well as all objections to data requests, or notifications of the need for additional time to respond, shall be sent by e-mail to counsel for the other parties. Counsel may designate other counsel to be added to the certified service list and shall assume responsibility for compliance with any restrictions on confidentiality. If any party responds to a data request in EFIS, the response is available in EFIS to all counsel on the certified service list. Data request responses, other than responses to data requests issued by or to Staff, will be served on counsel for the requesting party's employee or representative who submitted the data request and shall be served electronically, if feasible and not voluminous as defined by Commission rule. If a party desires the response to a data request that has been served on another party, the party desiring a copy of the response must request in writing a copy of the responses from the party answering the data request; thereby providing the responding party the opportunity to object. If a data request has been responded to, a party's request for a copy of the response shall timely be responded to, considering that the underlying data request has already been responded to.
