File No. EO-2012-0008

ORDER GRANTING INTERVENTIONS

Issue Date: January 26, 2012

Effective Date: January 26, 2012

On December 22, 2011, Kansas City Power & Light Company ("KCP&L") filed the above-titled application. The Commission set January 13, 2012, as a deadline for applications to intervene, and the Commission received several applications. KCP&L objected to the application of Missouri Industrial Energy Consumers ("MIEC") on January 23, 2012. No other objections were filed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that each of the applicants meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant each of the unopposed applications to intervene. The Commission will rule upon MIEC's application later.

THE COMMISSION ORDERS THAT:

1. The applications to intervene filed by the Missouri Department of Natural Resources; the United States Department of Energy, National Nuclear Security

Administration, Federal Executive Agencies; Union Electric Company d/b/a Ameren Missouri; Sierra Club, Earth Island Institute d/b/a Renew Missouri, and the National Resources Defense Council; Praxair, Inc.; Southern Union Company, d/b/a Missouri Gas Energy; Sam's East, Inc., Wal-Mart Stores East, Inc., are granted.

2. This order shall become effective immediately upon issuance.

BY THE COMMISSION

Steven C. Reed
Secretary

by delegation of authority pursuant to
Section 386.240, RSMo 2000.
