ORDER REGARDING JOINT STATUS REPORT

Issue Date: September 20, 2012 Effective Date: September 20, 2012

On April 13, 2012¹, Nickie Hertzog filed an application with the Missouri Public Service Commission requesting that her electric supplier be changed from Osage Valley Electric Cooperative ("Osage Valley") to Kansas City Power & Light ("KCP&L").² The Commission made Osage Valley a party. Both Osage Valley and the Staff of the Commission oppose her request.

The Commission set a prehearing conference for September 11, and required the parties to file a proposed procedural schedule no later than September 18. Instead of the schedule, on September 18, all of the parties except Ms. Hertzog filed a Joint Status Report.

Those parties report that they are exploring settlement of the case, and would like until October 2 to file another report or schedule. Those parties also sent a copy of the Joint Status Report to Ms. Hertzog on September 12, but she has not replied.

Noting that Ms. Hertzog has received a copy of the report, and has not objected, the Commission will grant the other parties' request.

¹ All calendar references are to 2012 unless otherwise noted.
² Ms. Hertzog appears to be referring to KCP&L Greater Missouri Operations Company ("GMO"), and not Kansas City Power & Light Company.

THE COMMISSION ORDERS THAT:

- 1. The parties shall file a proposed procedural schedule or another status update no later than October 2, 2012.
 - 2. This order shall become effective upon issuance.

BY THE COMMISSION

Steven C. Reed Secretary

(SEAL)

Ronald D. Pridgin, Senior Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri, on this 20th day of September, 2012.
