Case No. EO-2019-0244

MOTION FOR DISCOVERY CONFERENCE

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and hereby moves the Commission to set a Discovery Conference in this matter and, furthermore, to set said Discovery Conference in the week of August 5, 2019, so that discovery issues may be resolved as quickly as possible, with no delay to the proceedings. In support whereof, Staff states that many of the Data Request (“DR”) Responses thus far provided by KCP&L Greater Missouri Operations Company (“GMO”) have been inadequate, leaving Staff in the position of having immediately to pose follow-up DRs in order to obtain necessary information. Staff’s Rebuttal Testimony is due on August 27, 2019, and Staff needs to obtain necessary information from GMO well-prior to that date.

WHEREFORE, Staff prays that the Commission will set a Discovery Conference in this matter and that it will set it in the week of August 5, 2019; and grant such other and further relief as is just in the premises.

Respectfully submitted.
