RE: Union Electric Company's  
2008 Utility Resource Filing Pursuant to 4 CSR 240 – Chapter 22  
Case No. EO-2007-0409

Dear Sir or Madame:

Please find enclosed an Application to Intervene of the Missouri Joint Municipal Electrical Utility Commission for filing in the above-referenced matter. Thank you for your assistance in this regard.

Sincerely,

K. Charis Lippert,  
Paralegal for Douglas L. Healy, Esq.

Enclosure

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In Re: Union Electric Company's 2008        )  
Utility Resource Filing Pursuant to        )        Case No. EO-2007-0409  
4 CSR 240- Chapter 22                        )

**APPLICATION TO INTERVENE OF THE  
MISSOURI JOINT MUNICIPAL ELECTRICAL UTILITY COMMISSION**

COMES NOW, the Missouri Joint Municipal Electrical Utility Commission ("MJMEUC"), pursuant to Missouri Public Service Commission ("Commission") rule 4 CSR 240-2.075, and files its Application to Intervene in the referenced case. In support thereof, MJMEUC states as follows:

1. On February 5, 2008, Union Electric Company d/b/a AmerenUE filed its 2008 Integrated Resource Planning Filing (IRP), which is required by the Commission's Integrated Resource Planning rule, 4 CSR 240-22.
2. On February 7, 2008, the Commission issued an Order setting a deadline of February 27, 2008 for applications to intervene in this matter.
3. The MJMEUC is a body corporate and politic of the State of Missouri, organized as a joint municipal utility commission pursuant to section 393.700 et seq. RSMo., with authority to exercise public powers of a political subdivision of the state for the benefit of the inhabitants of municipalities jointly contracting to establish the MJMEUC. Fifty-eight Missouri municipalities are current parties to the joint contract establishing the MJMEUC.
4. MJMEUC serves 6 municipalities that currently have wholesale power contracts with AmerenUE and 14 municipalities directly embedded in AmerenUE's transmission system that take transmission service through the Midwest Independent System Operator ("MISO").

5. MJMEUC has an interest that is different from that of the general public, in that it represents the interest of municipal electrical systems throughout the state, as well as municipal electrical systems that take transmission through MISO and municipal electrical systems that have wholesale power contract with AmerenUE. Such interest is not currently represented in the proceedings.

6. Granting intervention to MJMEUC would serve the public interest by allowing MJMEUC's experience and insight to be part of the Integrated Resource Planning process.

WHEREFORE, MJMEUC prays that this Commission issue an order granting its application to intervene in this proceeding and for such other orders and relief as may be appropriate in the circumstances.

Respectfully Submitted,

By:
