**NOTICE REGARDING FURTHER PROCEEDINGS**

Issue Date: August 13, 2008

On August 12, 2008, Union Electric Company, d/b/a AmerenUE; the Staff of the Commission; Office of the Public Counsel; Missouri Department of Natural Resources; the Missouri Industrial Energy Consumers; Missouri Energy Group; and Sierra Club, Missouri Coalition for the Environment, Mid-Missouri Peaceworks, and ACORN (collectively Sierra Club), filed a joint filing and partial stipulation and agreement to remedy alleged deficiencies in the Integrated Resource Plan filed by Union Electric Company, d/b/a AmerenUE. The partial stipulation and agreement, however, leaves several alleged deficiencies unresolved.

Commission Rule 4 CSR 240-22.080(8) provides that the parties are to be allowed 45 days to work with the utility, and each other, to prepare and submit a joint agreement on a plan to remedy the identified deficiencies. If an agreement cannot be reached, 4 CSR 240-22.080(9) provides that the utility and the other parties are allowed until the 60th day after the filing of comments to file a response to the alleged deficiencies. The comments were filed on June 18, so the 60th day after the comments were filed is Sunday, August 17.

The partial stipulation and agreement is a joint agreement contemplated by 4 CSR 240-22.080(8), but it leaves some alleged deficiencies unresolved. Therefore, by the terms of 4 CSR 240-22.080(9), AmerenUE is obliged to file a response to the unresolved deficiencies by Monday, August 18.

The Commission extended the time allowed to file the joint agreement, so if AmerenUE believes it needs more time to file its response; it may file an appropriate motion requesting an extension of time.
