In the Matter of Union Electric Company d/b/a Ameren Missouri's Filing to Implement Regulatory Changes in Furtherance of Energy Efficiency as Allowed by MEEIA

File No. EO-2012-0142

ORDER ESTABLISHING TIME TO FILE PROPOSED PROCEDURAL SCHEDULE

Issue Date: July 10, 2014

Effective Date: July 10, 2014

On July 3, 2014, in accordance with an approved stipulation and agreement, the Staff of the Commission and Ameren Missouri filed separate change requests for adjustment to the Final EM&V (evaluation, measurement, and verification) Report filed in this case on June 12. The stipulation and agreement allows any stakeholder twenty-one days to file a response to the change requests. In this case, such responses will be due by July 24.

The stipulation and agreement also provides that stakeholder group participants are to meet within two business days of the deadline for filing a change request to agree upon a proposed procedural schedule to lead to a hearing to be held within sixty days of the filing of the change requests. The stipulation and agreement does not indicate when the proposed procedural schedule is to be filed with the Commission, so the Commission will establish that date in this order.

THE COMMISSION ORDERS THAT:

1. Stakeholder group participants shall file a proposed procedural schedule no later than July 15, 2014.

2. This order shall become effective upon issuance.
