**ORDER DIRECTING NOTICE AND
ORDER DIRECTING RESPONSES TO APPLICATION**

Issue Date: April 16, 2012

Effective Date: April 16, 2012

On April 13, 2012, Nickie Hertzog filed an application with the Missouri Public Service Commission requesting that the electric supplier be changed from Osage Valley Electric Cooperative ("Osage Valley") to Kansas City Power & Light ("KCP&L").¹

The Commission will direct its Data Center to send notice of the application to KCP&L, GMO, and Osage Valley. Because they are necessary parties, KCP&L, GMO and Osage Valley will be joined to this proceeding and will be directed to file responses to the application. Finally, the Commission will direct the Staff of the Commission to file a recommendation.

THE COMMISSION ORDERS THAT:

1. The Data Center of the Missouri Public Service Commission shall send this order, with a copy of the application, to Kansas City Power & Light Company, to KCP&L Greater Missouri Operations Company, and to Osage Valley Electric Cooperative.

¹ Because the Commission is concerned that the actual current supplier is KCP&L Greater Missouri Operations Company ("GMO"), and not KCP&L, the Commission will direct notice to both companies.

2. Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company are made parties to this proceeding and shall file a response to the application no later than May 16, 2012.

3. Osage Valley Electric Cooperative is made a party to this proceeding and shall file a response to the application no later than May 16, 2012.

4. The Staff of the Commission shall file its recommendation no later than May 29, 2012.

5. This order shall become effective upon issuance.
