MAWC STATUS REPORT AND MOTION FOR EXTENSION

COMES NOW Missouri-American Water Company (MAWC) and, as its Status Report and motion for Extension, states as follows to the Missouri Public Service Commission (Commission):

1. On November 12, 2015, the Commission issued its Order Granting Certificate of Convenience and Necessity. Among other things, the Order provided as follows:

4. Missouri-American Water Company shall submit new tariff sheets within 30 days of the effective date of this order, as 30-day filings, for its existing sewer tariff No. 10, depicting the Benton County service area with a written description that is consistent with that shown by Attachment A to Staff’s recommendation, a map consistent with that shown by Attachment B to Staff’s recommendation, a revised Sheet SR1 to add applicability of existing rates to Benton County, and rule changes to address installation, ownership, and maintenance of pump units.

5. If closing does not take place within 30 days following the effective date of this order, Missouri-American Water Company shall submit a status report within 5 days after this 30-day period regarding the status of closing, and additional status reports within 5 days after each additional 30-day period, until closing takes place, or until Missouri-American Water Company determines that closing will not occur.

2. As of this date, closing of the transaction has not taken place because of the filing of various appeals, liens, and new litigation. A recent *Order Granting In Part Emergency Motion for Injunctive Relief* issued by the Federal District Court in *United States of America, et*

al. v. Benton County Sewer District No. 1, Case No. 13-00319-CV-W-BP (December 30, 2015) may impact this situation. However, at this time, a closing is not yet scheduled.

3. Accordingly, MAWC hereby requests that the Commission consider this filing to comply with its requirement to file a first status report and moves the Commission for an extension of time to file the identified tariff sheets until 5 days after a closing of the subject transaction.

WHEREFORE, MAWC requests the Commission issue its order granting the motion for extension, acknowledging the filing of this Status Report, and granting such further relief as the Commission shall find to be reasonable and just.

Respectfully submitted,
