Re: Renaming of Time Warner Cable Midwest LLC

Dear Mr. Woodruff:

Pursuant to Missouri Revised Statutes § 67.2675 et seq., Time Warner Cable Midwest LLC, an indirect subsidiary of Charter Communications, Inc. ("Charter") holds a Video Service Authorization to provide Video Service in political subdivisions in Missouri. Charter hereby provides notice that, on September 25, 2018, Time Warner Cable Midwest LLC was renamed Spectrum Mid-America, LLC. There was no change of control of the holder of the Video Service Authorization or transfer of the Video Service Authorizations, just a name change. The records with the Missouri Secretary of State's Office have been updated accordingly, and we now seek to update the name of the entity that holds the Video Service Authorization to provide Video Service in Missouri.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Michael Zarrilli  
Vice President, Associate General Counsel  
Charter Communications, Inc.
